

Tape Binding Machine

The FASTBACK SENIOR is the ideal binding machine for corporations, financial institutions, copy shops, government agencies or education districts.

Produce outstanding, professional document finishing at a surprisingly low cost with the FASTBACK SENIOR. Create presentations, yearbooks or any other finished document in a fraction of the time required to bind with alternative binding solutions like coil, wire or plastic comb.

The FASTBACK SENIOR is virtually maintenance free, plus easy to use with an instructional step-by-step LCD display and one touch function.

Able to automatically detect which binding strip you are using, the FASTBACK SENIOR will prove the worth of your investment in mere moments.

The FASTBACK SENIOR has improved usability and versatility beyond that of previous models and is a multipurpose machine, effortlessly handling tape binding, perfect binding and hardcover book binding.

Technical Specifications

Binds 10 to 350 sheets in 13-20 seconds
